

20 Sept '76

Dear Mr Weisberg,

Just a short note to let
you know that the S.F.K.
Story is stirring interest here.

I'm sorry I haven't stayed in
close contact with you but I have
been assigned to Nigg Bay, Scotland
till about April '77. Perhaps
you will read about this structure
for the Merion oil field when it
is finished construction.

They have been quite a few
articles here about Roselle (Sp?) et al.

If any more crop up I'll clip
them and forward them to you.

For some reason you should have
to contact me you can reach me at the
address on the envelope.

Regards
W. J. M.
